Signed on _____ in _____, State of Washington
(Date) (City or town)

(Form Date: 11/03/08)

Community Service Work Rules:

- Community Service Work is to be completed only at Non-Profit (501-C work sites) within Snohomish County unless you have received prior approval from the court to complete the work in locations outside of Snohomish County.
- Community Service may not be completed at fellowship halls, treatment locations, clean and sober housing sites or at places of the participant's employment.
- Community Service hours must be signed off by the person at the agency supervising the work. This cannot be a relative of the participant. The information needs to be legible as the hours will be verified.
- It is the participant's responsibility to call ahead of time to find a location that has hours.

Where Can I do my Community Service Work?

- Consider calling your local Church: There are many services you can provide at your local church, such as grounds maintenance, pre-service set-up, post-services clean-up, and many other tasks. Call them . . . they would surely appreciate your help!
- The following are some suggestions of places to call. The work can be done at any non-profit within Sno. County and does not have to be one of the following sites.
- Call your local food banks:

Arlington Food Bank	(360)435-1631	Sky Valley/Monroe Food Bank	(360) 794-7959
Darrington Food Bank	(360)436-1833
